Statement of Faith for Roman Catholics

Roman Catholics who are committed to sharing the Gospel of Jesus Christ may be permitted to serve within this non-profit organization without being required in any manner to compromise their beliefs. The tenets of our different denominations have much more in common than those that divide us. We share a common faith in Jesus Christ as God incarnate and a personal salvation that comes only through Him. Our commitment to follow Him as Lord of our lives is what inspires and motivates our pro-life ministry and service. Catholics, who are united with us in mission and faith in Jesus Christ, should not feel pressured to disregard those specific points of doctrine that divide us, but rather a commitment to work together united in Christ and as a living witness of His love for those whom we serve.
