Rockville Pregnancy Clinic

February, 2016

Dear Valued Partner of Rockville Pregnancy Clinic,

To God be the Glory!

2016 was a year of change for RPC! While we had some lean financial times and growing pains, we knew that God was in control. **We knew not to doubt in the dark what God has shown us in the light.** Our mission is solid - we know we are being used by God to eliminate the need for abortion in the Washington DC area.

Because of your faithfulness, **we were able to end our financial year with our bills paid** and a small nest egg to start us into the new year. We are excited about 2017!! Here are some highlights:

- New website!
- More sonograms!
- Expanded Helpline hours!
- New Director of Medical Services!
- New linear focused model of working with patients!
- Electronic patient files!

We have seen countless ways God has used us to be with these fearful women, surprised by a pregnancy. These precious, tiny, silent lives are of enormous value to God and **we are honored to partner with you in this mission.**

Thank you for your support. Thank you for believing with us that the truth of our work shown to us in the light is blessed by God, no matter our earthly circumstances.

We would love to show you where these miracles happen! Call us and schedule a visit!

In HIS Glory,

A handwritten signature in black ink that reads "Betsy".
